PROJECT

FE APPRECIATION & AWARDS

(QAPCO)

For Providing High Degree of Quality Compliance.

(QCHEM):

Appreciation Certificate for the high safety and quality of services provided for various jobs during 2015 T/A works.

(DOLPHIN ENERGY LIMITED):

Appreciation letter for the successful completion of Export Gas Compressor Facilities Upgrade Project.

(L&T HYDROCARBON ENGINEERING):

In Achieving LTI Free 5 Million Man-Hours.

(L&T HYDROCARBON ENGINEERING)

For Providing High Degree of Quality Compliance.

(QATALUM):

Safety award for completing 206,000 without lost time incidents.

(HYUNDAI ENGINEERING & CONSTRUCTION):

For completing without lost time incidents.

(HERTWICH ENGINEERING):

Excellence work for performance as Subcontractor Mechanical & Electrical.

(QATAR ENERGY): For environmental risks and opportunities awareness.

(QAPCO): In recognition of excellent safety commitment and performance in 2017.

(QAFCO): Accomplishing Mechanical works with 1207045 Man-hours without recordable injury cases / Lost Time.

(QAPCO): Best Contractor Safety Awards in 2021.

(QCON): Successful Completion of NFPS EPCOL Project Without LTI.

(QAFCO): In recognition of our outstanding contribution and excellent Quality & HSE.

COMPANY RESOURCES

1. Mesaieed Industrial City (MIC) Facilities.

Main facilities are Located at Mesaieed MIC industrial area of 40,000 Meter square – 6 workshops of 15,000 square meters of built-up machining, fabrication, and maintenance workshops with 6 of 10-ton and 9 of 20-ton overhead cranes. The total of 23,500 square meters of open storage, fabrication, and assembly area. The total of 1500 square meters of fully furnished office space & facilities.

SMART BOLTING SOLUTIONS:

World-class SMART bolting solutions for oil & gas, petrochemical, power generation, wind energy and other industries

We provide smart bolting products, rentals, On-site services and solutions with continuous rotation tools (pneumatic & electric), Bolting cloud and connected tools.

OUR SOLUTION COVERS:

- Bolt Torquing
- Bolt Tensioning
- Application tailored solution
- Transformation Consultancy
- Bolt load calculation software
- ECITB - Mechanical Joint Integrity Training (Bolt Torque & Tensioning)
- Flange Spreading and Nut splitting
- In-Situ Machining

Helping Customers to Drive Sustainability
Transforming the Bolting Solutions to:
